TEXAS COTTON GINNERS' ASSOCIATION
SAFETY COMMITTEE MEETING
June 23, 2025
Hilton Palacio Del Rio – San Antonio, TX
El Mirador A

Committee Purpose: To address all safety issues (workers' compensation regulations, OSHA, TCGA safety program, safety seminars, etc.) and derive a position on any issue and develop programs to address issues. Review current association positions or policies and programs in existence for effectiveness. Report recommendations to Board of Directors for consideration and adoption.

Goal or Objective: To develop any necessary positions or policies on safety issues impacting the cotton ginning industry in Texas. Develop any necessary programs to specifically address issues and to fulfill the needs of association members. Provide direction and establish goals for the association staff to follow in addressing issues and implementing programs.

Possible Items to Discuss: TCGA safety program, OSHA developments, last season's accidents, safety tools (literature, videos, etc.), hiring and training, equipment protection devices, drug and alcohol testing, safety seminars, etc.

Notes:
