- Rulemaking – Modernizing H2A Program
  - Implemented January 2025
  - Easier transition of workers between employers
  - Extended "grace period"
  - Eliminates eligible countries listing
  - Reduced the 3 year limit reset
  - Increased prohibition on charging workers fees

7. **Safety Material:**
   - We are continually reviewing the safety program and updating components
   - Online store now available for safety materials
   - OSHA and Safety Resources page on website in Member's Only section

8. **Regional Meetings:**
   - TCGA is once again coordinating a full slate of safety seminars in 2025. Ten seminars will be offered this year. TCGT also conducts manager sessions following each TCGA district meeting. Safety seminars have already been held in Weslaco, Corpus Christi and El Campo.
   - James Shepard, Wally Davis, Jerry Multer, David Ubina and Aaron Nelsen conducted the South Texas meetings. Juan Serrato, Hector Cruz and Jesus Cruz helped with Spanish sessions. Next seminar will be in Waco on July 22.

9. **TCGA Internships**
   - TCGA staff continues to advertise our internship with Texas A&M University (TAMU) and Texas Tech University (TTU). We had several qualified applicants from TAMU and from TTU this year.
   - Cason Jander (TAMU) – AGSM student interning at United Ag Coop in El Campo. Cason is from Victoria, Texas.
   - Dani Lee (TAMU) – AGSM student interning with TCGA. Dani is from Roun Rock, Texas
   - Mason Lee (TTU) – ME student interning at Petersburg Co-op Gin. Masib is from Flower Mound, Texas.

10. **South Plains College**
    - No communication over the past year.
