Topics for Discussion
TCGA Safety Committee
2025 Summer Meeting

Previous Year's Recommendations

Recommendation: Be sure to use heat related program offered by the association – wait and see outcome.

- We have continued to encourage members to do so.

Recommendation: Continue to use Dr. Phil Wakelyn to monitor safety issues.

- This is being done.

Recommendation: Continue TCGA internship program.

- This is being done – three interns in place for 2025

Recommendation: Continue with Regional Safety Meetings.

- This is being done – see report above.
